EMAIL

Set up your INQ Chat 3G to receive email automatically when you're out and about.

GET STARTED WITH EMAIL

CHECK EMAIL ON THE GO

With Gmail on your INQ Chat 3G, you'll see each new email as it arrives - all you need to do is log in. Other accounts, such as Hotmail and Yahoo!, will deliver all new email at set intervals.

MAKE EMAIL WORK FOR YOU

Select **Options > Settings > Downloading** to change download settings to suit you. Here you can set how often messages are downloaded - less often will make your battery last longer.

LET YOUR EMAILS FIND YOU

It's that easy. With Push email, you'll see notifications every time you receive a new message to make sure you're always in the know.

Get even closer to your Google Mail, Yahoo! Mail and Hotmail contacts: simply add them to your phone's address book.

ADD GMAIL CONTACTS TO YOUR ADDRESS BOOK

- 1. SET UP YOUR ACCOUNT**
Select **Email** from the **Switcher**. Select an account, or if this is the first time you've used email on your INQ Chat 3G, follow the simple steps to set up your Gmail account.
- 2. SEND AN EMAIL**
To write a new email, select **Create new email** and type the recipient's email address into the **To** box. Add your email subject and text before selecting **Send**.
- 3. ADD CONTACTS AS YOU GO**
If the recipient is not already listed in your phone's address book, you'll be asked if you want to add their email address as a new or existing contact.

CONTACTS

Link a friend's Facebook profile with their mobile number on your phone to see their picture when they call.

ADD FACEBOOK PHOTOS TO YOUR CONTACTS

- 1. IMPORT YOUR FACEBOOK CONTACTS**
Select **Contacts** from the **Switcher** and open **Options**. Select **Facebook** and **Edit sync list** to synchronise your **Facebook** contacts to your phone.
- 2. OPEN YOUR CONTACTS**
To merge a friend's profile with their mobile number, select **Contacts** from the **Switcher** and select **Options**. Scroll down and select **Merge contacts**.
- 3. MERGE**
Scroll to the entries you want to link and select **Mark** for each. Then select **Done** and the name you want to keep. Now you'll see their **Facebook** photo when they call.

USB MODEM

Use your phone as a modem for your laptop when you're out and about. (Subject to your network operator allowing this service).

GET ONLINE ON YOUR PC OR MAC

1. PLUG IN YOUR PHONE
Use the **USB cable** to connect your phone to your PC or Mac. Double click the **Mobile Modem** icon and follow the instructions.

2. CONNECT USB MODEM
The **Mobile Modem** software will start when the installation is complete. Then press **Connect** on your computer screen.

3. OPEN YOUR BROWSER
Once connected, you can visit any website or check your email as you would from a landline internet connection.

Downloading large files from the Internet can use a lot of data. Please check with your mobile service that you have a suitable data plan.

INQ COVERS

Keep your INQ Chat 3G fresh by changing its back cover. Collect a range of colours and patterns.

TRANSFORM YOUR INQ CHAT 3G

CHOOSE A BACK COVER
Decide how you want your INQ Chat 3G to look by picking a cover from the full range on www.inqmobile.com/covers

REMOVE YOUR BATTERY COVER
Once you have your new cover, remove your existing battery cover by putting your palm flat on the cover and pushing it up. It should then lift off.

FIT YOUR NEW COVER
Place the new cover on the back of the phone and slide it down to lock it into place. Now you're good to go.
